Medical Update - AED

The club was approved for two AEDs. We have to meet certain requirements before we get them issued to us:

- A. We must have at least 5 people trained for each AED issued.
- B. Training must updated every two years. This can be done by taking a CPR training at any local place available to you.
- C. We have 10 free CPR training courses at no cost, using the vouchers.

The training will be conducted by:

Kathryn Weil Center for Education

1415 Salem Street

Lafayette, In. 47904

765-449-5133

D. **If you are already certified in CPR or AED**, we will need to have a copy of your card. I must present a copy of your card at the time I turn in the paperwork to them. They will order the AEDs at that time.

The railroaders are just waiting for the weather to break to work on track, track, and more track, and to get the road crossing installed.

That's all folks...Charlie

Illiana Quilters News

Submitted by: Kathy Kyle

Illiana Quilters met on Feb. 25th at the Pine Village Fire Station with an eager crowd to work on the tote bags for History Day! With the work done that day and the ones taken home by members, we are in good shape of having 500+ made for the September event. A big "thanks" to the IAPA members who came and helped with this project.

Final plans were made on a spring trip to Missouri Star Quilt Company in April. Discussion was also held on doing repairs to the Quilters Cottage at the show grounds as soon as the weather permits. Plans are to replace the ceiling, repair the doors, and do repairs on the porch floor.

The raffle quilt is nearly finished and will soon be ready for quilting. Make plans now to get your tickets for a chance to win this summer!

Like everyone else, we are anxiously awaiting the arrival of warm weather and the spring season. Our next meeting will be held on Mar. 25 at Pine Village Fire Station beginning at 9 am. Everyone is welcome to attend and enjoy the day of sewing and fun!

Rocky Forge Blacksmith News

Submitted by: Ted Stout

Our next meeting is planned for Saturday, April 13, At Ted's Shop. The March meeting was unfortunately cancelled. If you recall that meeting date conflicted with the Celebration of Life for our blacksmith friend, Clifton Ralph, and some of us had planned to attend that event. The March meeting was therefore planned for Rainsville (outside) but as you know, the weather is quite fickle this time of year. The weather forecasted for Saturday, March 9 was rain showers possibly mixed with snow and thunderstorms. So, we cancelled the March meeting.

Our next meeting will be on April 13 at Ted's Shop. Since Carol is having surgery March 18th, we need volunteers to handle the food for the April and May meetings.

Hope to see you there, Dominick.
